

Elevating People, Business & Experiences!

The Staff Shop Difference

Employment is crucial to economic growth and to human livelihood. Therefore, we take what we do seriously.

**STAFF
SHOP**.ca

We consciously built an employee (not contractor) business model because it's the safest, most effective and morally responsible way to conduct business.

BENEFITS TO OUR EMPLOYEE MODEL

- Trained, insured, government approved employees and valued actors in your show!
- Premium service and employee/referral pool across North America & the Caribbean!
- One-Stop-Shop for Staffing, Payrolling, Consulting, Cleaning & Disinfecting, PPE, Security and more!

CONSEQUENCES TO A CONTRACTOR MODEL

- Transient, undervalued labour fall short in executional standards and deliver harmful consequences.
- Lack of elevated service, training and insurance means the liability and claims involve the client - not only the agency.
- Fines, lawsuits and bad PR leads to reputational damage.
